

## MS4 Annual Reporting - Account Manager View

## 2023 Annual MS4 Report - General Information

Report Status: **Submitted**Permittee: **WEST EARL TWP LANCASTER CNTY** | NPDES Permit No.: **PAG133535**Facility Name: **MS4 WEST EARL TWP**MS4 Contact: **SARA SERVICE**Facility Address: **Facility Address:**Title: **STORM WATER COOD**Facility ID: **646107**Phone: **717-859-3201**County: **Lancaster**Email: **sservice@westearltwp.org**Municipality: **West Earl Twp**Effective Date: **07/01/2018**

Expiration Date:

Renewal Due Date: **09/30/2024**

## MS4 Report (Current Version)

## Appendix Selection

You must review each appendix and select the appropriate appendices below.

☐ Appendix A☒ Appendix B☐ Appendix C☒ Appendix D☒ Appendix E☐ Appendix F

## Water Quality Information Module

Are there any discharges to waters within the Chesapeake Bay Watershed? **Yes**

Identify all surface waters that receive stormwater discharges from the permittee's MS4 and provide the requested information.

Receiving Water Name	Ch. 93 Class	Impaired	Cause(s)	TMDL	WLA
<b>Conestoga River</b>	<b>WWF, MF</b>	<b>Yes</b>	<b>Nutrients, Pathogens, Siltation</b>	<b>No</b>	<b>No</b>
<b>Cocalico Creek</b>	<b>WWF, MF</b>	<b>Yes</b>	<b>Nutrients, Siltation</b>	<b>No</b>	<b>No</b>
<b>Groff Creek</b>	<b>WWF, MF</b>	<b>Yes</b>	<b>Nutrients, Siltation</b>	<b>No</b>	<b>No</b>

## General Minimum Control Measure (MCM) Information Module

Have you completed all MCM activities required by the permit for this reporting period? **Yes**

List the current entity responsible for implementing each MCM of your SWMP, along with contact names and phone numbers.

MCM	Entity Responsible	Contact Name	Phone Number
#1 Public Education and Outreach on Stormwater Impacts	<b>West Earl Twp</b>	<b>Sara Service</b>	<b>717-859-3201</b>
#2 Public Involvement / Participation	<b>West Earl Twp</b>	<b>Sara Service</b>	<b>717-859-3201</b>
#3 Illicit Discharge Detection and Elimination (IDD&E)	<b>West Earl Twp</b>	<b>Brian Brandt</b>	<b>717-859-3201</b>
	<b>West Earl Twp</b>	<b>Neil Stoltzfus</b>	<b>717-859-3201</b>
#4 Construction Site Stormwater Runoff Control	<b>West Earl Township</b>	<b>Brian Brandt</b>	<b>717-859-3201</b>
#5 Post-Construction Stormwater Management in New Development and Redevelopment	<b>West Earl Twp</b>	<b>Sara Service</b>	<b>717-859-3201</b>

**MCM #1 – Public Education & Outreach on Stormwater Impacts Module**

---

**BMP #1: Develop, implement and maintain a written Public Education and Outreach Program.**

---

1. For new permittees only, has the written PEOP been developed and implemented within the first year of permit coverage? **Not Applicable**

---

2. Date of latest annual review of PEOP: **08/03/2023** Were updates made? **Yes**

---

3. What were the plans and goals for public education and outreach for the reporting period?

**Provide general PCSM requirements handout/pamphlet for all existing and new PCSM facility/BMP owners as an attachment to the O&M verification forms. Provide BMP education information to HOAs and meet individually (or in small groups) with them at least once to communicate requirements and reinforce education information provided to them. Continue education and outreach related to the Township's PRP requirements. Target at least one specific audience group from the TAG list for a special mailing on Pathogens Pollutant Control Measures. See attachment for updates made.**

---

4. Did the MS4 achieve its goal(s) for the PEOP during the reporting period? **Yes**

---

5. Identify specific plans and goals for public education and outreach for the upcoming year:

**West Earl Township will continue to distribute O&M Verification Forms and provide BMP maintenance information to landowners in conjunction with the Township's monitoring of PCSM Facilities in the Cocalico Creek & Conestoga Creek Watersheds. Continue to provide education and awareness on the sediment and nutrient reduction requirements to all groups listed in the TAG. Flyer/mailler to be developed regarding the Turtle Hill Restoration Project for distribution in 1st QTR 2024.**

---

**BMP #2: Develop and maintain lists of target audience groups present within the areas served by your MS4.**

---

1. For new permittees only, have the target audience lists been developed and implemented within the first year of permit coverage? **Not Applicable**

---

2. Date of latest annual review of target audience lists: **08/03/2023** Were updates made? **No**

---

**BMP #3: Annually publish at least one educational item on your Stormwater Management Program.**

---

1. For new permittees only, were stormwater educational and informational items produced and published in print and/or on the Internet within the first year of permit coverage?

**Not Applicable**

2. Date of latest annual review of educational materials:

**08/03/2023**

Were updates made?

**Yes**

3. Do you have a municipal website? **Yes**

URL: **www.westearltp.org**

• If **Yes**, what MS4-related material does it contain?

**Links to relevant MS4-related articles, brochures, pamphlets, and fact sheets. All MS4 annual reports including documentation, the current Pollutant Reduction Plan, and links to websites divided into specific groups for the AG community and kids.**

4. Describe any other method(s) used during the reporting period to provide information on stormwater to the public:

**Articles published in the Township newsletter published 3 times per year. MS4 educational materials mailed to owners of BMPs in the Groff Creek Watershed.**

5. Identify specific plans for the publication of stormwater materials for the upcoming year:

**Continue publishing MS4 articles in the Township's newsletters. Target a specific audience group for an MS4 related mailing. Topics and information posted to the Township website will be updated as new and relevant information becomes available.**

**BMP #4: Identify the two additional methods of distributing stormwater educational materials during the previous reporting period (e.g., displays, posters, signs, pamphlets, booklets, brochures, radio, local cable TV, newspaper articles, other advertisements, bill stuffers, posters, presentations, conferences, meetings, fact sheets, giveaways, or storm drain stenciling).**

Identify the two additional methods of distributing stormwater educational materials during the previous reporting period (e.g., displays, posters, signs, pamphlets, booklets, brochures, radio, local cable TV, newspaper articles, other advertisements, bill stuffers, posters, presentations, conferences, meetings, fact sheets, giveaways, or storm drain stenciling).

**Fact sheets and O&M verification forms were distributed to owners of BMPs in the Groff Creek Watershed, and A Homeowner's Guide to BMP Maintenance booklet published on the front page of the Township website.**

**MCM #1 Comments:**

**Per Overarching SWMP Goal Summary – O&M Verification Forms Distributed to 20 PCSM Facility Owners, however, only 2 Verification Forms Returned. Alternative outreach methods to the O&M Verification Forms may be considered pending rates of return in 2024. See attached SWMP goal summary.**

**MCM #1 Attachments:**

MCM #2 – Public Involvement/Participation Module

**BMP #1: Develop, implement and maintain a written Public Involvement and Participation Program (PIPP)**

1. For new permittees only, was the PIPP developed and implemented within one year of permit coverage? **Yes**

2. Date of latest annual review of PIPP: **08/03/2023** Were updates made? **Yes**

**BMP #2: Advertise to the public and solicit public input on ordinances, SOPs, Pollutant Reduction Plans (PRPs) (if applicable) and TMDL Plans (if applicable), including modifications thereto, prior to adoption or submission to DEP:**

1. Was an MS4-related ordinance, SOP, PRP or TMDL Plan developed during the reporting period? **No**

2. If **Yes**, describe how you advertised the draft document(s) and how you provided opportunities for public review, input and feedback:

**Not applicable**

3. If an ordinance, SOP or plan was developed or amended during the reporting period, provide the following information:

Ordinance/SOP/Plan Name	Date of Public Notice	Date of Public Hearing	Date Enacted or Submitted to DEP
No data available in table			

**BMP #3: Regularly solicit public involvement and participation from the target audience groups using available distribution and outreach methods.**

1. At least one public meeting or other MS4 event must be held during the 5-year permit coverage period to solicit participation and feedback from target audience groups. Was this meeting or event held during the reporting period? **Yes**

If **Yes**, Date of Meeting or Event: **08/03/2022**

2. Report instances of cooperation and participation in MS4 activities; presentations the permittee made to local watershed and conservation organizations; and similar instances of participation or coordination with organizations in the community.

**Note: Multiple meetings held during previous reporting periods. The Township continues to hold MS4 Committee meetings which are open to the public. These meetings are quarterly and held to discuss action items relating to the MS4 program and updates on PRP projects.**

3. Report activities in which members of the public assisted or participated in the meetings and in the implementation of the SWMP, including education activities or efforts such as cleanups, monitoring, storm drain stenciling, or others.

**Township staff worked with 7 small stormwater project applicants to discuss stormwater management and which BMPs would be the best fit for their construction projects. Township staff also worked with Landowners and Team AG to update 3 farm conservation plans in conjunction with a joint stream restoration project, for which the Township received a Clean Water Partners grant in 2022, in the Groff Creek Watershed.**

**MCM #2 Comments:**

**West Earl plans to partner with the Conestoga River Club for cleanups and water quality sampling along the Conestoga River.**

Three updated farm conservation plans attached. Also attached is an update to MCM 2.

**MCM #2 Attachments:**

File Name	Document Type	Short Description

King, Daniel - Ag E&S Plan Complete V1.pdf	Other	Updated conservation plan for Daniel King Farm at 147 Turtle Hill Road, Ephrata.
Zimmerman, Ervin Ag E&S Plan Complete V1.pdf	Other	Updated conservation plan for Ervin Zimmerman Farm at 400 W Metzler Road, Ephrata.
MCM2_OUTREACH PLANS_August2023Updates.pdf	Other	Outreach Plan Update
Involvement Matrix_WEarl_22-23.pdf	Other	Public Involvement Matrix

**MCM #3 – Illicit Discharge Detection and Elimination (IDD&E)**

**BMP #1: Develop and implement a written program for the detection, elimination, and prevention of illicit discharges into the regulated small MS4.**

1. For new permittees only, was the written IDD&E program developed within one year of permit coverage? **Not Applicable**

2. Date of latest annual review of IDD&E program: **08/03/2023** Were updates made? **Yes**

**BMP #2: Develop and maintain map(s) that show permittee and urbanized area boundaries, the location of all outfalls and, if applicable, observation points, and the locations and names of all surface waters that receive discharges from those outfalls. Outfalls and observation points shall be numbered on the map(s).**

1. Have you completed a map(s) that includes all components of BMP #2? **Yes**

If **Yes** and you are a new permittee and have not submitted the map(s) previously, attach the map(s) to this report.

If **No**, date by which permittee expects map(s) to be completed:

2. Date of last update or revision to map(s): **01/02/2023**

3. Total No. of Outfalls in MS4: **53** Total No. of Outfalls Mapped: **53**

4. Total No. of Observation Points: **6** Total No. of Observation Points Mapped: **6**

5. During the reporting period, have you identified any existing outfalls that have not been previously reported to DEP in an NOI, application or annual report, or are any new MS4 outfalls proposed for the next reporting period? **No**

If **Yes**, select: Existing Outfall(s) Identified **No** New Outfall(s) Proposed **No**

**BMP #3: In conjunction with the map(s) created under BMP #2 (either on the same map or on a different map), the permittee shall develop and maintain map(s) that show the entire storm sewer collection system within the permittee's jurisdiction that are owned or operated by the permittee (including roads, inlets, piping, swales, catch basins, channels, and any other components of the storm sewer collection system), including privately-owned components of the collection system where conveyances or BMPs on private property receive stormwater flows from upstream publicly-owned components.**

1. Have you completed a map(s) that includes all components of BMP #3? **Yes**

If **Yes** and you are a new permittee and have not submitted the map(s) previously, attach the map(s) to this report.

If **No**, date by which permittee expects map(s) to be completed:

2. If **Yes** to #1, is the map(s) on the same map(s) as for outfalls and receiving waters?

**Yes**

3. Date of last update or revision to map(s):

**07/27/2022**

**BMP #4: Conduct dry weather screenings of MS4 outfalls to evaluate the presence of illicit discharges. If any illicit discharges are present, the permittee shall identify the source(s) and take appropriate actions to remove or correct any illicit discharges. The permittee shall also respond to reports received from the public or other agencies of suspected or confirmed illicit discharges associated with the storm sewer system, as well as take enforcement action as necessary. The permittee shall immediately report to DEP illicit discharges that would endanger users downstream from the discharge, or would otherwise result in pollution or create a danger of pollution or would damage property.**

For new permittees, all identified outfalls (and if applicable observation points) must be screened during dry weather at least twice within the 5-year period following permit coverage. For existing permittees, all identified outfalls (and if applicable observation points) must be screen during dry weather at least once within the 5-year period following permit coverage and, for areas where past problems have been reported or known sources of dry weather flows occur on a continual basis, outfalls must be screened annually during each year of permit coverage.

1. How many unique outfalls (and if applicable observation points) were screened during the reporting period?

**8**

2. Indicate the percentage of all outfalls screened in the past five years.

**82 %**

3. Indicate the percent of outfalls screened during the reporting period that revealed dry weather flows:

**0 %**

4. Did any dry weather flows reveal color, turbidity, sheen, odor, floating or submerged solids?

**No**

5. If **Yes** for #4, attach all sample results to this report with a map identifying the sample location. Explain the corrective action(s) taken in the attachment.

6. Do you use the MS4 Outfall Field Screening Report form (**3800-FM-BCW0521**) (<http://www.depgreenport.state.pa.us/eLibrary/GetFolder?FolderID=2740>), provided in the permit?

**Yes**

If **No**, attach a copy of your screening report form.

**BMP #5: Enact a Stormwater Management Ordinance or SOP to implement and enforce a stormwater management program that includes prohibition of non-stormwater discharges to the regulated small MS4.**

1. Do you have an ordinance (municipal) or SOP or other mechanism (non-municipal) that prohibits non-stormwater discharges?

**Yes**

If **Yes**, indicate the date of the ordinance or SOP:

Date of the Ordinance

Borough/Township Name?

**09/12/2022**

**West Earl Township**

2. If **Yes** to #1, is the ordinance or SOP consistent with DEP's 2022 Model Stormwater Management Ordinance (3800-PMBCW0100j) with respect to authorized non-stormwater discharges?

**Yes**

If **Yes** to #1 and the ordinance or SOP has not been submitted to DEP previously, attach the ordinance or SOP.

3. Were there any violations of the ordinance or SOP during the reporting period?

No

If **Yes** to #3, complete the table below (attach additional sheets as necessary).

Violation Date	Nature of Violation	Responsible Party	Enforcement Taken
No data available in table			

4. Did you approve any waiver or variance during the reporting period that allowed an exception to non-stormwater discharge provisions of an ordinance or SOP?

No

If **Yes** to #4, identify the entity that received the waiver or variance and the type of non-stormwater discharge approved.

**Not applicable.**

**BMP #6: Provide educational outreach to public employees, business owners and employees, property owners, the general public and elected officials (i.e., target audiences) about the program to detect and eliminate illicit discharges.**

1. Was IDD&E-related information distributed to public employees, businesses, and the general public during the reporting period?

Yes

If **Yes**, what was distributed?

**IDD&E training webinar for Township Staff on February 3, 2023 in conjunction with review of the IDD&E reporting form. Distributed IDD&E article on illegal dumping via the Township newsletter on September 13, 2022 (digital publication only - posted to the Township website at [www.westearltpw.org](http://www.westearltpw.org) & the Township's Facebook page at <https://www.facebook.com/WestEarlTownship>).**

2. Is there a well-publicized method for employees, businesses and the public to report stormwater pollution incidents?

Yes

3. Do you maintain documentation of all responses, action taken, and the time required to take action?

Yes

**MCM #3 Comments:**

**Remaining outfalls targeted for inspection for 4th QTR 2023 See attached updated IDD&E Plan.**

**MCM #3 Attachments:**

File Name	Document Type	Short Description
-----------	---------------	-------------------

#### MCM #4 – Construction Site Stormwater Runoff Control

Are you relying on PA's statewide program for stormwater associated with construction activities to satisfy this MCM?

Yes

(If **Yes**, respond to questions for BMP Nos. 1, 2 and 3 only in this section. If No, respond to questions for all BMPs in this section)

**BMP #1: Develop, implement and maintain a written Public Involvement and Participation Program (PIPP)**

During the reporting period, did you comply with 25 Pa. Code § 102.43 (relating to withholding building or other permits or approvals until DEP or a county conservation district (CCD) has approved NPDES permit coverage)? Note: If no building permit applications were received you may select Not Applicable.

Yes

**BMP #2: A municipality or county which issues building or other permits shall notify DEP or the applicable CCD within 5 days of the receipt of an application for a permit involving an earth disturbance activity consisting of one acre or more, in accordance with 25 Pa. Code § 102.42.**

During the reporting period, did you comply with 25 Pa. Code § 102.42 (relating to notifying DEP/CCD within 5 days of receiving an application involving an earth disturbance activity of one acre or more)? Note: If no building permit applications were received you may select Not Applicable.

Not Applicable

**BMP #3: Enact, implement and enforce an ordinance or SOP to require the implementation and maintenance of E&S control BMPs, including sanctions for non-compliance, as applicable.**

1. Do you have an ordinance (municipal) or SOP or other mechanism (non-municipal) that requires implementation and maintenance of E&S control BMPs? **Yes**

If **Yes**, indicate the date of the ordinance or SOP:

Date of the Ordinance Borough/Township Name?

**09/12/2022 West Earl Township**

2. If **Yes** to #1, is the ordinance or SOP consistent with DEP's 2022 Model Stormwater Management Ordinance (3800-PMBCW0100j)? **Yes**

3. If **Yes** to #1 and the ordinance or SOP has not been submitted previously, attach a copy of the ordinance or SOP.

**BMP #4: Review Erosion and Sediment (E&S) control plans to ensure that such plans adequately consider water quality impacts and meet regulatory requirements.**

Specify the number of E&S Plans you reviewed during the reporting period:

**Not Applicable**

**BMP #5: Conduct inspections regarding installation and maintenance of E&S control measures during earth disturbance activities. Maintain records of site inspections, including dates and inspection results, in accordance with the record retention requirements in this permit.**

Specify the number of E&S inspections you completed during the reporting period:

**Not Applicable**

**BMP #6: Conduct enforcement when installation and maintenance of E&S control measures during earth disturbance activities does not comply with permit and/or regulatory requirements.**

Specify the number of enforcement actions you took during the reporting period for improper E&S:

**Not Applicable**

**BMP #7: Develop and implement requirements for construction site operators to control waste at construction sites that may cause adverse impacts to water quality. The permittee shall provide education on these requirements to construction site operators.**

Specify the method(s) by which you are educating construction site operators on controlling waste at construction sites:

**Not Applicable**

**BMP #8: Develop and implement procedures for the receipt and consideration of public inquiries, concerns, and information submitted by the public to the permittee regarding local construction activities.**

1. A tracking system has been established for receipt of public inquiries and complaints. **Not Applicable**

2. Specify the number of inquiries and complaints received during the reporting period:

**Not Applicable**

**MCM #4 Comments:**

**See attached for updates.**

**MCM #4 Attachments:****MCM #5 – Post-Construction Stormwater Water Management in New Development & Redevelopment Module****BMP #1: Enact, implement and enforce an ordinance or SOP to require post-construction stormwater management from new development and redevelopment projects, including sanctions for non-compliance.**

1. Do you have an ordinance (municipal) or SOP or other mechanism (non-municipal) that requires implementation and maintenance of post-construction stormwater management (PCSM) BMPs? **Yes**

If **Yes**, indicate the date of the ordinance or SOP:

Date of the Ordinance Borough/Township Name?

**09/12/2022 West Earl Township**

2. If **Yes** to #1, is the ordinance or SOP consistent with DEP's 2022 Model Stormwater Management Ordinance (3800-PM-BCW0100j)? **Yes**

3. If **Yes** to #1 and the ordinance or SOP has not been submitted previously, attach a copy of the ordinance or SOP.

**BMP #2: Develop and implement measures to encourage and expand the use of Low Impact Development (LID) in new development and redevelopment. Measures should also be included to encourage retrofitting LID into existing development. Enact ordinances consistent with LID practices and repeal sections of ordinances that conflict with LID practices.**

1. Do you have an ordinance (municipal) or SOP or other mechanism (non-municipal) that encourages and expands the use of LID in new development and redevelopment? **Yes**

If **Yes**, indicate the date of the ordinance or SOP:

Date of the Ordinance Borough/Township Name?

**09/12/2022 West Earl Township**

2. If **Yes** to #1, is the ordinance or SOP consistent with DEP's 2022 Model Stormwater Management Ordinance (3800-PMBCW0100j)? **Yes**

3. If **Yes** to #1 and the ordinance or SOP has not been submitted previously, attach a copy of the ordinance or SOP.

**BMP #3: Ensure adequate O&M of all post-construction stormwater management BMPs that have been installed at development or redevelopment projects that disturb greater than or equal to one acre, including projects less than one acre that are part of a larger common plan of development or sale.**

1. Do you have an inventory of all PCSM BMPs that were installed to meet requirements in NPDES Permits for Stormwater Discharges Associated with Construction Activities approved since March 10, 2003? **Yes**

If **Yes** to #1, complete Table 1 in the next module.

2. Has proper O&M occurred during the reporting period for all PCSM BMPs? **No**

3. If **No** to #2, explain what action(s) the permittee has taken or plans to take to ensure proper O&M.

**100% of all proposed BMPs/facilities under construction/implementation during the permit year have been inspected by the Township Engineer. 75% of PCSM BMPs have been inspected during the permit cycle with the remaining inspections targeted for completion during 3rd Quarter 2023. Landowner outreach has been initiated for a portion of these facilities. Outreach will be on-going. See attachment for outreach material that have been mailed.**

(If you are relying on PA's statewide program for stormwater associated with construction activities, you may skip to MCM #6, otherwise complete all questions for BMPs #4 - #6 in this section.)

**BMP #4: Require the implementation of a combination of structural and/or non-structural BMPs that are appropriate to the local community, that minimize water quality impacts, and that are designed to maintain pre-development runoff conditions.**

1. Specify the number of PCSM Plans reviewed during the reporting period for projects disturbing greater than or equal to one acre (including projects less than one acre that are part of a larger common plan of development or sale).

Not Applicable

2. Has a tracking system been established and maintained to record qualifying projects and their associated BMPs? **Not Applicable**

**BMP #5: Ensure that controls are installed that shall prevent or minimize water quality impacts. The permittee shall inspect all qualifying development or redevelopment projects during the construction phase to ensure proper installation of the approved structural PCSM BMPs. A tracking system (e.g., database, spreadsheet, or written list) shall be implemented to track the inspections conducted and to track the results of the inspections (e.g., BMPs were, or were not, installed properly).**

1. During the reporting period have you inspected all qualifying development and redevelopment projects during the construction phase to ensure proper installation of approved structural BMPs? **Not Applicable**

2. Has a tracking system been established and maintained to record results of inspections? **Not Applicable**

**BMP #6: Develop a written procedure that describes how the permittee shall address all required components of this MCM.**

Have you developed a written plan that addresses: 1) minimum requirements for use of structural and/or non-structural BMPs in plans for development and redevelopment; 2) criteria for selecting and standards for sizing stormwater BMPs; and 3) implementation of an inspection program to ensure that BMPs are properly installed? **Not Applicable**

**MCM #5 Comments:**

**MCM #6 – Pollution Prevention / Good Housekeeping Module**

**BMP #1: Identify and document all operations that are owned or operated by the permittee and have the potential for generating pollution in stormwater runoff to the MS4. This includes activities conducted by contractors for the permittee.**

1. Have you identified all facilities and activities owned and operated by the permittee that have the potential to generate stormwater runoff into the MS4? **Yes**

2. When was the inventory last reviewed? **08/03/2023**

3. When was it last updated? **08/03/2023**

**BMP #2: Develop, implement and maintain a written O&M program for all operations that could contribute to the discharge of pollutants from the MS4, as identified under BMP #1. This program shall address stormwater collection or conveyance systems within the regulated MS4.**

1. Have you developed a written O&M program for the operations identified in BMP #1? **Yes**

2. Date of last review or update to written O&M program: **05/01/2023**

**BMP #3: Develop and implement an employee training program that addresses appropriate topics to further the goal of preventing or reducing the discharge of pollutants from operations to the regulated small MS4. All relevant employees and contractors shall receive training.**

1. Have you developed an employee training program? **Yes**

2. Date of last review or update to training program: **08/21/2023**

Date of latest training: **08/02/2023**

3. Training topics covered:

**1. MS4 Committee Meeting-August 2022 2. Erosion & Sedimentation Controls - September 2, 2022 3. MS4 Extension News - October 18, 2022 4. 2022 PSATS Stormwater Conference Policy Track - November 10, 2022 5. Changing Stormwater Terminology - November 16, 2022 6. MCM 6 Good Housekeeping - January 6, 2023 7. IDD&E - February 3, 2023 8. Stormwater Practices for Residential Property Owners - January 13, 2023 9. MS4 Committee Meeting - August 2, 2023**

4. Name(s) of training presenter(s):

1. Emily West & Cory Rathman - Land Studies 2. Clean Water Academy 3. LCCD & Lancaster Clean Water Partners 4. Various - Mark Harman-ARRO Consulting, Daryl St. Clair-PennDOT, Juni Alam & Jonathan Robinson-Herbert, Rowland and Grubic, James Wheeler-PSATS, Beth Uhler-Cedarville Engineering Group. 5. CSI Network 6. Clean Water Academy 7. Wessler Engineering 8. Penn State Extension 9. Emily West - Land Studies

5. Names of training attendees:

1. Sara Service-Zoning Officer/Stormwater Coordinator, Brian Brandt-Code Enforcement, Emily West-Land Studies, Cory Rathman-Land Studies, Neil Stoltzfus-Roadmaster, Jenna Seesholtz-Township Manager, Ben Craddock-Township Engineer. 2. Sherry Ditzler-Admin. Assistant, Amy Carter-Financial Assistant, Jenna Seesholtz-Township Manager, Neil Stoltzfus-Roadmaster, Sara Service-Zoning/Stormwater Coordinator. 3. ## Pollutant Reduction Plans (PRPs) and TMDL Plans Module

1. Complete this section if the development and submission of a PRP and/or TMDL Plan was required as an attachment to the latest NOI or application or was required by the permit, regardless of whether DEP has approved the plan(s).

Type of Plan	Pending Approval	Submission Date	DEP Approval Date	Surface Waters Addressed by Plan
Chesapeake Bay PRP (Appendix D)		09/14/2017	06/22/2018	Chesapeake Bay
Impaired Waters PRP (Appendix E)		09/14/2017	06/22/2018	Conestoga River, Cocalico Creek, Groff Creek
TMDL Plan (Appendix F)				
Combined Chesapeake Bay / Impaired Waters PRP (include Chesapeake Bay in your entry)				
Combined PRP / TMDL Plan				

Joint Plan ☐ (if checked, list the name of the MS4 group or names of all entities participating in the joint plan below)

Joint Plan Participants:

2. Identify the pollutants of concern and pollutant load reduction requirements under the permit.

Type of Plan	Select	TSS Load Reduction (lbs/yr)	TP Load Reduction (lbs/yr)	TN Load Reduction (lbs/yr)
Chesapeake Bay PRP (Appendix D)	<input checked="" type="checkbox"/>	92,353		
Impaired Waters PRP (Appendix E)	<input checked="" type="checkbox"/>	92,353		
TMDL Plan (Appendix F)	<input type="checkbox"/>			
Combined Chesapeake Bay / Impaired Waters PRP	<input type="checkbox"/>			
Combined PRP / TMDL Plan	<input type="checkbox"/>			

3. Date Final Report Demonstrating Achievement of Pollutant Load Reductions Due:

09/30/2023

4. Have any modifications to the plan(s) occurred since DEP approval?

Yes

• If **Yes** to #4, was the updated plan(s) submitted to DEP?

Yes

• If **Yes** to #4, did you comply with the public participation requirements of the applicable appendix?

No

• If **Yes** to #4, describe the plan modifications.

**Public participation was not required as part of the plan revisions made in 2019. PRP revisions were approved by DEP on July 30, 2019.**

5. Summary of progress achieved during reporting period.

**See the PRP attachment for details.**

6. Anticipated activities for next reporting period.

See the PRP attachment for details.

**PRP/TMDL Comments:**

West Earl Township was required to achieve a 10% sediment reduction, 5% total Phosphorus (TP), and 3% total Nitrogen (TN) reduction. Per DEPS's PRP instruction, the PP used the presumptive approach to assume that a 10% sediment reduction would also satisfy the TP and TN reduction requirements. Per the May 2-19 planning area and loading calculations, the 10% sediment requirement for West Earl was 92,353 pounds per year. That 10% reduction in sediment has been achieved. See the PRP attachment for additional details.

**PRP/TMDL Plan Attachments:**

File Name	Document Type	Short Description
-----------	---------------	-------------------

**BMPs For PRP/TMDL Plan Implementation Module Tables**

**New BMPs For PRP/TMDL Plan Implementation Table**

**Table 2.** List all new structural BMPs installed and ongoing non-structural BMPs implemented during the reporting period that are being used toward achieving load reductions in the permittee's PRP and/or TMDL Plan.

**If you are a member of a regional PRP, report only those BMPs implemented within your municipal boundary. If you are reporting a joint BMP in which credit is shared with another permittee(s), report only your portion of the BMP credit.**

**Note:** Any new BMP data entered will be prepopulated in the next reporting year.

BMP No.	BMP Name	Date Installed	Annual Sediment Load Reduction (lbs/year)	Satisfactory	Active	Latitude	Longitude	Drain Area
1	Stream Restoration - Default Rate	10/12/2022	68,891	✓	Yes	40.0750	-76.1153	
% Impervious:		BMP Extent:		Units:		BMP in Planning Area:		
		1535		Feet		Yes		
Bmp Completed for Chapter 102:		Collaborative BMP:		Retrofit:		Date of Latest Inspection:		
Yes		No		No		06/13/2023		
List MS4 Collaborators:				Description:				

**BMP Inventory For PRP/TMDL Plan Implementation Table**

**Table 3.** All existing structural BMPs that have been installed in prior reporting periods and are eligible to use toward achieving load reductions in the permittee's PRP and/or TMDL Plan

**Certification**

- 1 Login to GreenPort and go to launch the MS4 Annual Reporting System.

**2 Review this MS4 Report.**

**3 Sign the Report.**

**After the report is signed by all responsible officials, you will be able to submit the report.**

**For PAG-13 Permittees:** I have read the latest PAG-13 General Permit issued by DEP and agree and certify that (1) the permittee continues to be eligible for coverage under the PAG-13 General Permit and (2) the permittee will continue to comply with the conditions of that permit, including any modifications thereto. I understand that if I do not agree to the terms and conditions of the PAG-13 General Permit, I will apply for an individual permit within 90 days of publication of the General Permit. I also acknowledge that any facility construction needed to comply with the General Permit requirements shall be designed, built, operated, and maintained in accordance with operative laws and regulations.

**For All Permittees:** I certify under penalty of law that this report was prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations. See 18 Pa. C.S. § 4904 (relating to unsworn falsification).
