PERMITS AND APPROVALS WHICH MAY BE REQUIRED
PRIOR TO ISSUANCE OF A BUILDING PERMIT UNDER THE
PA UNIFORM CONSTRUCTION CODE

- Zoning approval under Zoning Ordinance.
- Stormwater Management Plan.
- Proof of recording of a subdivision and/or land development plan for all nonresidential construction and for construction of any dwelling not on a separate lot of record.
- Highway occupancy permit if property fronts on a highway under the jurisdiction of the Pennsylvania Department of Transportation and a new access or changed access is required.
- Driveway permit if a new access driveway or changed access to an existing driveway is proposed.
- Sidewalk permit if any new sidewalks or repairs to existing sidewalks are proposed.
- Street opening permit if property fronts on a Township street and any street openings are required for installation of underground utilities.
- Permit to connect to and/or expand the use of the public water system if public water supply will be used or proposed construction will result in an expansion of such use.
- Permit to connect to and/or expand the use of the public sewer system if public sewer system will be used or proposed construction will result in an expansion of such use.
- On-lot sewage disposal system permit (where public sewer service is not available) if sewage disposal is required or proposed construction will result in expansion of number of bedrooms (if a dwelling).
- Erosion and sedimentation control plan or Conservation Plan from the Lancaster County Conservation District.

OTHER REQUIREMENTS

- Your project will be evaluated to confirm compliance with the Zoning Ordinance as adopted by West Earl Township.
- Upon issuance of the Permit, the permit placard should be posted and visible from the public right-of-way. The inspection schedule should be on site for verification and signature at time of inspections.
- The permit applicant, and ultimately the owner, is responsible for making arrangements for inspections. Construction must not proceed until each phase has received approval. Please refer to the property address and building permit number when scheduling an inspection.
- Along with the application, a plot plan and any supplemental information must be submitted before the plan will be reviewed.
- Please remember that structures should not be used until a final inspection has been completed. If you have any questions concerning your project, please call the West Earl Township office.
