Call to Order

Chairman Ford called the December 4th, 2017 regular meeting to order at 6:00 p.m. Also in attendance was Richard and Bonita Gauthier and Curtis Miller.

Manager Johnson reviewed the construction cost estimate for the project under the grant requirements.

Construction cost is estimated to be \$2,892,708 with Engineering to cost \$265,537 and also the cost of easement and right of ways is not included in this cost. The grant award is \$999,810 leaving a total of over 2 million needed for this project. The Board review an assessment on property owner but didn't like that option. Also looked at other funding for the project.

The Board asked for Steve Gabriel and Dave Hogland to come to the next meeting to discuss the differences in the cost that was put on the grant applications and the cost now. Manager Johnson will have them attend the meeting on the 18<sup>th</sup> of December.

Adjournment

Moved by Member Keppley, second by Member Stover to adjourn sidewalk meeting at 6:52 p.m. Motion approved unanimously.
